

Cali, June 20th, 2016

In Torre de Cali Plaza Hotel after one year of implementation, we have the proud to share with all of you our Sustainability certificates Tourism under the Colombian Sectorial Technical Norm NTS-TS 002: 2014 and the Colombian Technical Standard 5133: 2006 valid for June 2019.

This is an achievement proposed and achieved by our operator Hoteles Bogotá Plaza, and result of effort and commitment of the Organization and each one official that is part of this great team. We have defined the course that lead us to excellence in our processes aimed at continuous improvement we will continue to seek the integration and assurance of Environmental, cultural and socio-economic sustainability requirements such as establishment of accommodation and lodging.

We attach our certificates before this to this article.

Cordially.

Claudia Nataly Becerra C.

Integrated Management Systems.
