

Our hotel is carrying out infrastructure and service actions that allow good practice development for the environmental, economic and social sustainable development.

Colombia, a country committed to sustainability. Be part of its permanent change and construction.

FOR RESPONSIBLE TOURISM

¿DID YOU KNOW THE ILLICIT TRAFFIC OF CULTURAL GOODS IS A CRIME IN COLOMBIA?

Law 1185 of 2008 seeks the integration of the Cultural Patrimony of the Nation constituted by all the material goods, immaterial manifestations, products and representations of the culture that are an expression of Colombian nationality.

- Report to competent authorities those who illegally loot, steal, traffic or sell our cultural heritage.
- Heritage trafficking is an irreparable damage to memory and legacy of the country.
- Do not purchase items without any certification on their origin.
- The production, exchange and use of counterfeit documentation on cultural goods, is a crime.
- Request further information of activities for the preservation of the local culture.
